School Age Child Care Program

This handbook is prepared for the parents of all children enrolled in the School Age Child Care Program. It is designed to explain the program.

Philosophy

The programs of School Age Child Care will provide a learning environment in which a child is helped at his or her own level to learn how to plan his own life-actions. Where a child receives love, security, acceptance, values, self control, independence, protection and guidance where teachers earnestly try to involve a child in the excitement of learning.

Social- To help the child:

1. Grow in ability to work and play with others. Play is the work of children. Play allows children to learn. Learning is fun!
2. Respect personal property rights of others.
3. Develop an attitude of kindness, cooperation, courtesy, and helpfulness toward others.
4. Accept appropriate individual and social responsibility in their group.
5. Build problem solving skills.

Emotional- To help the child:

1. Gradually mature in emotional responses and self-discipline.
2. Properly express emotional responses.
3. Become progressively independent.
4. Develop self confidence.

Mental: To help the child:

1. Develop a love for learning.
2. Develop independent thinking, draw conclusions, make choices, and experiment.
3. Broaden his/her range of interest.
4. Develop his/her language, powers and self-esteem.
5. Grow in ability to concentrate.
6. Encourage creativity.
7. Improve his/her skills.

Physical- To help a child:

1. Participate in a variety of both fine and gross motor activities.
2. Establish desirable health habits.
3. Know and follow simple rules of safety.

The School Age Child Care Program is a pro-social program. Each day the schedule offers a wide variety of activities. Through play, a child works his/her way into joy, and into a more mature capable person, ready for the next step in his/her growing development.

Licensing: The School Age Child Care Program is licensed by the Cabinet for Health and Family Services. The center has also been inspected by the Hardin County Health Department and the State Fire Marshal's Office.

Center Policies

Hours of Operation- The center is open from **2:00 PM until 5:30 PM**, Monday through Friday. A charge of **\$1.00 per minute** past 5:30 will be imposed and **due immediately**. Continued tardiness in picking up children could result in dismissal from the program.

Inclement Weather/Early Dismissal- the School Age Child Care Program follows the official Hardin County Schools calendar for operation. If school closes early (before lunch time) please pick up your child immediately. If school closes early (after lunch is served) the School Age Child Care staff will come in early until 5:30. If there is no school due to inclement weather, the School Age Child Care Program will be closed. Please listen to local radio or TV stations for school closings.

Eligibility- Children may enroll in the School Age Child Care Program if they are K-5 at any of our Hardin County Elementary schools. SACC programs will make adaptations to meet the needs of students on IEP.

Tuition Fees and Payment- Fees are subject to change with written notice.

There is a **\$25.00 Non-Refundable Registration fee** for each family enrolled in the program. **Monthly rate is \$152.00.** Daily rate is \$9.00(no part time rates available) Monthly fee is based on the amount of school days in the year multiplied by the \$9 daily rate divided by 10 months of school which equals the flat monthly rate of \$152.00 (**you will not be charged for days that school is not in session**)

\$25.00 returned check fee

Payment is due on the 1st of each month. A \$25 late payment fee will be added to payments received after the 10th. If payment is not received by the 15th, you will receive a termination notice. Your spot will be forfeited and offered to a parent on the waiting list. The child may not return to the program unless an acceptable payment arrangement has been made. The program cannot permit ongoing delinquent accounts.

There is no refund for daily absences.

Tuition is to be paid on the first of each month on a continuous basis until the child is withdrawn from the program (effective 8/1/2008). **Tuition is due in full.**

Check Acceptance Policy

Driver's licenses number and date of birth are required on all checks. There will be a \$25.00 charge on each returned check. Settlement must be made within 5 business days. If settlement has not been reached, check will be turned over to the County Attorney's Office and is susceptible to more fees. More than two returned checks will require payment by cash or money order.

Your payment by check constitutes your acceptance of these terms.

Withdrawal- The center requires two weeks' notice of the child's permanent withdrawal from the center. **If your child misses 5 consecutive days without contacting the SACC office your child's position will be forfeited.**

Right of Dismissal: The School Age Child Care Program reserves the right to dismiss a child for non-compliance of all the policies by the parent. The child will be dismissed with a two week notice. In extreme circumstances immediate dismissal will be given at the discretion of the director. The program always reserves the right to dismiss a child if circumstances warrant.

Snacks: Children will be provided snacks that meet the USDA federal food guidelines. A doctor's statement is required for all children who have food allergies, so adjustments to the menu can be made.

Transportation: The School Age Child Care Program **DOES NOT** provide transportation.

Play: Play is a vital part of a child's growth. Children will be taken outside each day except when it's too cold, wet, extremely hot, or when the pollution index is considered dangerous. When your child's class goes outside, everyone goes outside. If for some reason you feel your child must not be outside, please discuss this with the Site Leader.

Immunization: Each child is required to have a current up-to-date immunization certificate on file in the office prior to attending the program. Updated certificates should be provided to the program as a child receives further immunizations. **Certificates must be on file at the site to prevent termination in service.**

Birthdays: This is a special day in a child's life. Please make arrangements with the Site Leader for this special day. You may send a treat for this special occasion, however due to health regulations; they must be store bought rather than home made. We encourage you to join us for the celebration if at all possible.

Toys: Children should be discouraged from bringing personal toys and electronic devices to the program, which may promote a conflict with other children. The program cannot be responsible for personal items, which may be lost or damaged. It may become necessary for the teacher to remove items from the child's possession until the end of the day. Please be supportive of staff when such decisions are made.

Discipline: The goal of the School Age Child Care Program is to teach children self-discipline. The guidance techniques used are on the developmental level of the child and include: positive reinforcement, redirection and helping the children solve their own problems. Children are made aware of expectations through the consistent use of clearly defined limits. No physical or harsh verbal discipline will be used. Physical discipline is not permitted by staff or parents on the center's property. Should continual behavior problems occur, a meeting between program staff and parents will be held in order to determine an appropriate course of action that is agreeable to all.

The School Age Child Care Program is managed centrally and all sites adhere to the same rules and regulations. The objective of the School Age Child Care Program is to ensure the safety and well being of all children.

The guidelines for the School Age Child Care Program are:

- To maintain acceptable conduct at all times
- To display consideration for the rights of other children
- To show respect for others by avoiding defiance at all times
- To represent the truth in all matters
- To refrain from physically attacking classmates
- To exhibit respect for others opinion by refraining from rudeness or inappropriate language
- To practice self-control in the terms of voice and limbs

If the guidelines of the School Age Child Care Program are not properly followed, the following procedures will be enforced:

When the School Age Child Care Program rules have been broken and the site leader deems the action serious enough that documentation is necessary, an incident report will be completed and placed in the child's file at the site as well as the School Age Child Care Program office. Each incident report will require a parent signature. Under some circumstances it may be necessary for the Program's Coordinator or the Site Leader to call for immediate pick up. Upon receiving three Incident Reports, the Program's Coordinator will review the child's file and determine whether to dismiss the child from the School Age Child Care Program or schedule a conference with the parent/guardian. When safety of other children is in jeopardy, the Program Director can dismiss a child immediately.

Communication: School Age Child Care Program considers it essential for the home and center to work as partners to encourage the maximum growth in all areas of your child's development. It is vital for parents to check with staff regularly to stay informed. We would prefer not to discuss behavioral problems in front of the children. In the event private conversations are needed, we will be glad to meet with you.

Parent involvement activities will be scheduled throughout the school year. You will be notified in advance of the time and place.

Staff cannot accept verbal messages from students. Please send a note or update in person if there are any changes in your childcare needs.

Parent surveys are sent out periodically throughout the year to gain feedback about the program via survey monkey. Printed copies will be available at the sites. We appreciate your input.

The SACC program uses Remind.com to send out updates to our families.

Arrival & Departure: The children may arrive as early as 2:15 PM and stay as late as 5:30 PM. **A fee of \$1.00 for every minute past 5:30 PM will be imposed and due immediately. Continued tardiness in picking up children could result in dismissal from the School Age Child Care Program.**

All children must be signed in and out on a daily basis.

A parent or authorized adult must pick up each child. No child should be removed from the building without staff being made aware of the child's departure. The program must be notified in advance if someone other than the parent will be picking up the child. A person who is not known at the center will be required to show a driver's license for identification and must be listed on the child's information sheet as being an authorized alternative. No child will be released to an unauthorized adult.

Policy for Custody Dispute: Children will only be released to adults listed on the registration form. In case of a custody dispute, the center will not undertake the decision of the legal and physical custody of a child, but will rely on the information provided by the enrolling parent. Copies of legal documents regarding custody will be maintained in the child's file. It is the responsibility of the parent to keep custody documentation current.

Fire, tornado and earthquake: Each month the program will have a fire drill to familiarize children and staff with the proper exit procedure. Quarterly tornado and earthquake drill will be held as well. In the event of severe weather, it is safer for both parents and children to remain where they are at the time of the alert. The program has established safe places within the building for all children to go in the event of such emergencies.

Health and attendance policies: Your child's safety and well being is very important to everyone. In order to keep illness to a minimum, please take note of the following information. Children should remain at home if they have any of the following symptoms:

- ❖ A fever
- ❖ Acute cold, coughing, sneezing, and/or runny nose
- ❖ Sore throat
- ❖ Skin eruptions or rashes
- ❖ Nausea/vomiting/diarrhea
- ❖ Eye irritation/pinkeye

Please notify the center if your child or family member contracts any communicable diseases.

Disease	Incubation Period	Return to Program
Chicken Pox	7-21 Days	When all pox marks are scabbed over
German Measles	14-28 Days	One Day after rash has completely disappears
Pink Eye		When eyes are free from discharge
Impetigo	2-5 Days	When Child is under a doctor's care
Head Lice		School Aged Child Care Program has no nit policy

Accident and Emergencies: In case of an accident, your child will be given first aid and you will be notified. If it is a life threatening incident, proper emergency procedure will be followed. Your child's registration form should be up to date at all times including the physician's name, phone number, and hospital of preference. Please be sure you have completed the emergency medical treatment portion of your child's form. Up to date contact information for both parents as well as an alternative contact person are vital.

Illness: Children with any form of illness should remain at home. If a child arrives with a temperature at or above 100 * or becomes ill while at the center, the parent will be called to pick the child up within an hour of being notified. The center is not allowed to dispense over the counter medication.

Medication: The program will dispense medications prescribed by a physician if the medication is in the original container and has clear instructions. Medication is given only when the medication permission form has been completed and signed by the parent. Parents must sign off daily for continuous medication use Medication permission forms may be obtained from the site director. The center is not allowed to dispense over the counter medication.

School Age Child Care
