

## **Behavioral Health Professional | Hardin County Schools**

*Elizabethtown, KY*

Cumberland Family Medical Centers, Inc. (CFMC) is looking for a **Behavioral Health Professional** to join our Healthy Kids team in Hardin County schools. CFMC is a nonprofit, 501(c)3 corporation established to assure that residents of our service areas have access to high quality primary and preventative health services regardless of ability to pay. To learn more about CFMC, visit: [www.cumberlandfamilymedical.com](http://www.cumberlandfamilymedical.com).

### **Practice Benefits:**

- Health/Dental/Vision Insurance
- Life Insurance
- 401K (6% employer match)

### **Location Benefits:**

- Diverse Community
- Schools Rated 9 out of 10
- Near National Attractions

### **Job Summary:**

Professional will use age appropriate assessment and intervention skills, while also using a range of interventions individualized to the needs of the patient/family. This person will assist members in developing cost effective, appropriate health care plans through optimizing the member's personal resources and community resources and programs. They will promote multi-disciplinary care that is patient-centered and considers all aspects of members' personal, psychological, economic, and cultural needs. A thorough knowledge of CFMC services/benefits, public/private community resources, as well as federal/state laws which effect health care planning are essential. This person will complete required documentation of services and plan of care per policy and participate in program development, orientation, and educational activities which further members' capacity to better direct their own health care experience.

### *Education:*

Master's Degree from accredited program – Certified Social Worker (CSW), Licensed Professional Clinical Associate (LPCA), Licensed Clinical Social Worker (LCSW), Licensed Professional Clinical Counselor (LPCC), Licensed Marriage and Family Therapist (LMFT) – Current KY License to practice.

### *Basic Requirements:*

- One (1) year of Behavioral Health experience in hospital, outpatient clinic, FQHC, Home Health, school-based services, long-term care settings or other equivalent professional settings.
