Dear Parent,

In Hardin County Schools, we will embark on a Strategic Planning Process this spring. Strategic planning will engage our community in defining the measurable outcomes and strategies for achieving our mission to serve all Hardin County students and help them learn and succeed.

I invite you to become a key contributor to this process by attending a **Focus Group** meeting to share your perspective and provide information to guide our planning. Our external facilitator from Studer Education will host these focus groups and solicit honest, constructive feedback at each session. Each Focus Group will last approximately one hour. You will be asked to share some areas of strength in the school district as well as opportunities for improvement. You will also be asked to determine what are the key skills that students should have mastered to have a successful future upon graduation.

We ask that you attend ONE of the meetings below that is most convenient for your schedule. Please consider attending. We need to hear your voice.

Tuesday, April 16th Woodland Elementary at 3:45pm

Tuesday, April 16th North Hardin High School at 7:00pm

Wednesday, April 24th Hardin County Board of Education Board Room at 6:30pm

We look forward to an engaging process that results in a powerful plan for continuous improvement for our students and community.

Thank you for your support of the Hardin County Schools.

Sincerely,

Teresa Morgan
Superintendent
