

CHHS Parent/Guardian NTI Information

We learned a great deal from Non Traditional Instruction (NTI) last spring and feel better prepared to offer your student a different, but much improved learning experience. We ask that you read and discuss the following information with your student should we utilize NTI at any point during the school year.

Timing/Duration

Weather related (**short term**) - Students will interact with their teachers on the days they are assigned to attend school (Example: An “A group” student would interact virtually with teachers on a Monday, “A group” Wednesday, and Thursday). OLA students will continue with their same schedule.

Illness related (**long term**) - A/B group students will interact virtually with teachers five days each week. OLA students will continue with their same schedule.

Schedule

Our daily NTI schedule for ALL students (including OLA students) will be as follows:

1st block	8:30 - 9:30	Lunch	11:45 - 12:20
2nd block	9:35 - 10:35	4th block	12:25 - 1:25
3rd block	10:40 - 11:40	5th block	1:30 - 2:30

In addition to the hours above, CHHS teachers and counselors will have one hour, Monday through Thursday, after the school day, as an “Office Hour” for communication with students and parents/guardians. Each staff member will communicate his or her office hour time with students through Google Classroom. Staff members will communicate by email, Google Voice, and Google Classroom during this hour only in the evening to protect time spent with their own families.

Student Expectations

- Students should access their Google Classroom every day, each class period, according to the daily schedule in the chart above.
- Students should only use school email addresses for NTI activities.
- Students should turn all assignments in to the teacher on time.
- Students should communicate questions and issues with teachers as soon as possible.

Accessing Instruction

Students and parents/guardians can access Google Classroom information, including assignments, through the John Hardin website located at <https://www.hardin.k12.ky.us/chhs>. Click “NTI Lessons and Info” to get started.

Communication and Troubleshooting

Students and parents/guardians with questions regarding technology can contact Jessica Hundley during school hours by phone at 270-737-6800 or by email at jessica.hundley@hardin.kyschools.us. Individual teachers should always be contacted first regarding questions that are content or class related. Counselors can assist after teachers have been contacted.

Angie Davis, Freshman Counselor- angie.davis@hardin.kyschools.us

Myra Tabb, Sophomore Counselor- myra.tabb@hardin.kyschools.us

Kim Cardin, Junior Counselor - kim.cardin@hardin.kyschools.us

Chris Adams, Senior Counselor- chris.adams@hardin.kyschools.us
